

**SPIRIT LAKE TRIBE EPA**  
**Presents**

## ***Launching a Healthy Homes Initiative Course***

***June 30, 2011***

**8:00 am – 4:30 pm**

**Facilitated by Bill Menrath**  
**The University of Cincinnati College of Medicine**

The course brings together health and housing professionals from state and local agencies as well as other health and housing organizations. The goal of the training is to identify policies and practices to establish robust programs to make homes healthier. Participants will work with a case study developed for the training to analyze threats to resident health and identify opportunities to reduce those threats through improved and coordinated housing and health services. The course integrates engaging presentations with real world problem solving exercises to create an engaging and informative session.

**Location:** Spirit Lake Tribe Community Center (Blue Bldg)

### **Who should attend:**

Elderly Program Supervisors, Contractors, TERO, Employment & Training Staff, Tribal EPA Staff, Public Health Nurses, School Nurses, All Housing Programs, Home inspectors, Energy Auditors, Early Childhood Tracking, Head Start, IHS staff, Renovators,

### **Participants completing the course will be able to:**

1. State seven healthy homes principles;
2. Explain the connection of those principles to health impacts and hazards in the home;
3. Identify the organizations and programs that can make a home healthier;
4. Describe the basic tools agencies and organizations can use to make homes healthier; and
5. Name five action steps that can be implemented in the next six months to launch a healthy homes program.

**Registration:** Limited to 40 participants. Email your name, phone number and agency to

BoNiTa Morin ([bmorin90@hotmail.com](mailto:bmorin90@hotmail.com)) no later than **June 16, 2011**
