Job Title:	Licensed Clinical Social Worker	Open Date:	March 29, 2023
SL Program:	Spirit Lake Health Center	Close Date:	Until filled

Position Objective: This position is responsible for providing professional therapy services to the Spirit Lake Health Center (SLHC) patients and Spirit Lake Nation Tribal community.

Work is performed and duties are carried out in accordance with established policies, procedures, and SLHC core values: VALUES.

Job Responsibilities

- Works in close collaboration with physicians and other health care personnel in patient evaluation and treatment to further their understanding of significant social and emotional factors underlying patient's health problems.
- Provides professional therapy services including diagnostic treatment and assessment for individuals, families, and groups; develops interventions based on the above needs assessment and exercises professional judgement in consultation with the supervisory behavioral health provider in providing problem-focused, culturally appropriate care.
- Assesses patient's circumstances, needs, predicaments, and inner strength in order to establish explicit objectives.
- Establish/create procedures to help the patient enhance their total well-being and cope with their circumstances.
- Give assistance to patients in the area of adjusting to new changes and challenges like unemployment, medical disorders or divorce.
- Organize resources for the use of the patient and introduce them to the appropriate support groups.
- Support patients in receiving fundamental needs like social services, food stamps, medical services and child welfare.
- Follow-up and record improvements or services provided to ascertain progress in patient's condition.
- Offering quality guidance, and counseling to patients.
- Provides therapy services in homes, schools, clinics, job sites, and other community locations to eligible individuals as directed.
- Provides case management for ongoing follow-up of cases and coordinates treatment referrals once cases are stabilized within the intervention team.
- Makes sound, well-informed, and objective decisions; perceives the impact and implications of decisions; commits to action, even in uncertain situations, to accomplish, organizational goals.
- Provides professional written documentation for the medical records (Electronic Health Records); provides statistical and other reports as requested.
- Serves as a liaison to other health care professionals/agencies and therapy agencies, including tribal, state, federal and private entities.
- Must comply with federal laws and regulations as required by the Health Insurance Portability and Accountability Act (HIPAA).
- Performs related duties.

Knowledge required at a level appropriate for this position:

- Knowledge of therapy principles and practices including knowledge of assessment of emotional, behavioral, and mental disorders, and an understanding of theories based on best practice.
- Knowledge of medical terminology.

- Knowledge of the use of the DSM-5.
- Knowledge of customer service principles.
- Ability to manage multiple demands of the job.
- Ability to provide independent mental health assessment and intervention services.
- Skill in effective listening.
- Skill in oral and written communication.
- Skill in the provision of customer service.
- Skill in use of personal computer and a variety of job-related software applications.
- Skill in interpersonal relations.

Supervisory Controls

The supervisor assigns work in terms of very general instructions. Professional therapists are evaluated on overall effectiveness and observation of patient outcomes.

Guidelines

Guidelines include federal, state, and local regulations, Spirit Lake Health Center Manual, accreditation agency standards, Spirit Lake Tribe and SLHC policies and procedures. These guidelines are clear and specific and require some judgment in selecting among alternative approaches.

Complexity/Scope of Work

This position involves the performance of a variety of clinical duties in the diagnosis and treatment of patients. The purpose of this position is to provide clinical social work services to SLHC patients. Providing care to patients who are difficult, hostile, distressed; and, from varied backgrounds and situations increase the complexity of this position. Successful performance helps ensure the overall effective and efficient operation of the Behavioral Health program and SLHC resulting in improved patient outcomes.

Contacts

Contacts are typically with individual patients, families, groups, tribal agencies, social service agencies, courts, state and federal resource agencies, private/public treatment facilities, physicians, psychologists and other health care workers, and other employees.

Contacts are typically to give and exchange medical information, provide patient care and other related services.

Physical Demand / Work Environment

The work is typically performed while sitting at a desk or table or while intermittently sitting, standing or stooping. The work is typically performed in an office, or clinic setting which requires normal safety precaution for infection control and environmental safety measures. The noise level in the work environment is usually quiet.

While performing the duties of this job, the employee is regularly required to sit; use hands and fingers to manipulate, handle, or feel; and talk or hear. The employee must regularly lift and /or move light objects. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and ability to adjust focus.

This position requires operation of a motor vehicle to travel to patient homes, health care centers, schools, and other public facilities.

Supervisory and Management Responsibility

None.

Minimum Qualifications

- Master's Degree in counseling or Clinical Social work and experience in the occupational field, sufficient to perform the major duties of the position, and to be able to answer questions and resolve problems.
- Licensed in North Dakota as a Licensed Clinical Social Worker (LCSW, LMSW) or a
- Licensed in North Dakota as a Licensed Professional Counselor (LPC, LPCC)
- Possession of or ability to readily obtain a valid driver's license issued by the State of North Dakota with a clean driving record.
- Must successfully pass a criminal and background check and a pre-employment drug screen.
